Winter Drawn League Rules

The purpose of the Winter Drawn leagues are to allow members to continue competitive bowling on an individual basis, but in a more relaxed format than in a formal league. The winner and runner up bowlers for both leagues will receive a trophy.

The following drawn leagues will be run:

Monday	11:30	Open Drawn	managed by Trevor Taylor
Tuesday	11:30	Open Drawn	managed by Trevor Taylor
Tuesday	18:30	Open Drawn	managed by Ed Hibberd
Friday	18:30	Open Drawn Aussie Pairs	managed by Trevor Taylor
Sunday	09.30	Open Drawn	manager TBA Includes a break for refreshments.

Entrants must be fully paid up members of DIBC. Entrants must pay their league entry fee of £1.00 for each league on their first appearance in the league.

The Leagues will commence the week beginning 2nd October 2018 running every week except for a one week break over the Christmas period.

Entrants may play in as many sessions during the league season as they wish, but only their best eighteen results will count towards the final league position. Entrants are responsible for paying the relevant rink fees each time they play.

To allow bowlers of all abilities to take part a handicapping system will operate. Experienced bowlers will receive 0 shots, whilst less inexperienced bowlers will receive between 1 and 8 shots depending upon their ability. Initial handicaps maybe revised during the season to reflect any improvements made by less experienced bowlers. Decisions on handicapping will be made by the league manager.

The league match format for the Drawn league will be dependant on the number of bowlers attending each session. Teams will be drawn at each session by card draw. In the Tuesday evening league attempts will be made to match bowlers of a higher handicap with bowlers of a lower handicap.

Entrants are expected to conform to DIBC League Rules as far as they are relevant to the Drawn Leagues.
